

SAFAA BOARD OF DIRECTORS

STUART KNOWLING

Appointed to the Board in November 2013.

Stuart Knowling is Managing Director and Chief Operating Officer for Instinet Pacific, responsible for all of the operations and corporate functions of Instinet in Asia. The role includes oversight of Instinet's 3 offices and exchange memberships as well as managing relationships with brokers in 10 other markets. Stuart moved to this role in Hong Kong in 2010 after spending 3 years working as Country Head for Instinet in Australia. The role in Sydney involved setting up Instinet's Australian franchise from the ground up including building front and back office teams and systems, gaining exchange and clearing house memberships and licences and project managing the transition of the trading business from Hong Kong. From his time in Australia Stuart retains his position as an ASX Responsible executive and ASIC Responsible Manager.

Prior to joining Instinet Stuart spent 10 years with Deutsche Bank in roles in Sydney and London. Stuart spent time as head of Equity operations at Deutsche Securities in Sydney and later went on to be Global Outsourcing Executive - managing outsourcing projects across Asia, into Deutsche's service providers in Mumbai/Bangalore and Manila. This role also included being global vendor relationship manager for equity operations for the numerous outsourcing partners around the world.

Stuart holds a BSC (Econ) in International Banking and Finance from Cardiff Business School.
