SAFAA CPD TRAINING REGISTER

You have a professional obligation to yourself, your organisation and your clients to participate in Continuing Professional Development (CPD), tailored to meet your own needs.
The underlying principal of CPD is that it must improve one's ability to undertake their job by extending and maintaining their knowledge, skills and integrity.

This CPD Training Register template may assist in keeping records of CPD undertaken.

Date/Time	Topic	Learning Method	Outcome	Provider	CPD Hours (1 hr = 1 hr CPD)

Note: the SAFAA CPD Reading and Research Register also forms part of this CPD Training Register
