

## **SAFAA BOARD OF DIRECTORS**

### **BRIAN SHEAHAN**

Appointed to the Board November 2013.

Brian is the Executive Chairman of Morgans Financial Limited and a member of the firm's Management, Risk, Remuneration and Branch Services Committees.

Brian has over 20 years' experience in the corporate/financial arena in Europe, Asia and Australia. Brian joined Morgans Financial Limited in 1997 as a Senior Research Analyst after three years running a mineral processing business in China and was appointed Managing Director in 2003 and then Executive Chairman in 2016. Prior to this Brian worked in senior positions in financial analysis and corporate finance over 6 years for a listed Australian resource company. This followed two years in Europe in the finance sector and several years working as a geologist in Australia.

Brian has a Bachelor of Commerce and Bachelor of Science (Geology) from the University of Queensland. He is a member of the Securities Institute of Australia and a Master member of the Australian Institute of Company Directors.
